The “Palace Case”: Russians under criminal prosecution after the protests of early 2021

Датасет на русском языке: «Дворцовое дело»:
фигуранты уголовных дел по следам протестов начала
2021 года

Dozens of criminal charges have been brought as a consequence of the protests on January 23 and 31, February 2 and April 21, 2021 in Russia. There is almost no official information about them in the public domain. However, we have managed to collect and **visualize** data about more than 180 persons that are being prosecuted in more than 40 Russian regions, and publish it as a dataset.
